Rev	Revision note	Date	Signature	Checked

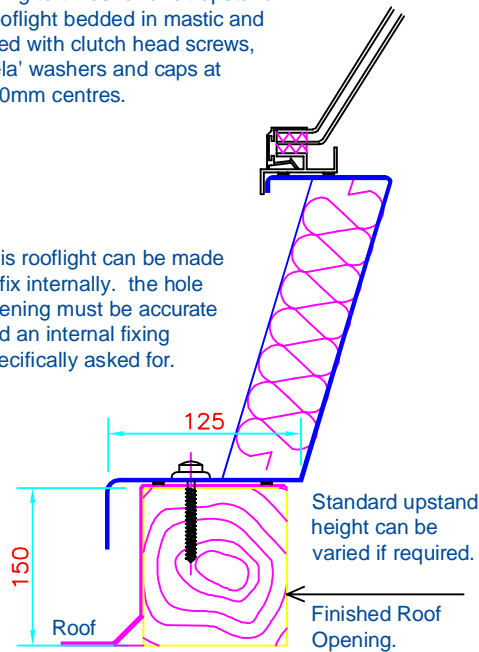

General Notes:
1. Do not scale this drawing.

(For a 600x600 rooflight make finished hole size 600x600 etc.)

Fixing to timber and felt upstand:
Rooflight bedded in mastic and fixed with clutch head screws, 'sela' washers and caps at 300mm centres.

This rooflight can be made to fix internally. the hole opening must be accurate and an internal fixing specifically asked for.

(For a 600x600 rooflight make finished hole size 600x600 etc.)

2. KERB ADAPTOR UPSTAND
